

Hamriyah Free Zone

Hamriyah Free Zone was established by an Emiri decree issued on November 12, 1995. It is located in Sharjah, United Arab Emirates, which gives the free zone a unique geographic and time zone advantage backed by a secure and fully convertible currency and access to neighboring and global markets through land, sea and air.

Hamriyah Free Zone is fast becoming one of the cornerstones of the United Arab Emirates industrial development. The free zone manages an area of approximately twenty two million square meters of prime industrial and commercial land and a 14 meter deep water port which is poised to expand. The prime location of the Zone's land underscores the importance of the Zone

to the development strategy of the Sharjah Emirate. As the Next Generation Free Zone, Hamriyah Free Zone is ensuring that its management is flexible and dynamic besides being an investor oriented free zone.
