About

Godawari Power and Ispat Ltd. :

Godawari Power and Ispat Ltd (GPIL),

promoted by Shri B.L. Agrawal & his brothers is a flagship company of Rs 2,000 crore Hira Group of Industries, Raipur. The company is an integrated manufacturer of wire rods, sponge iron, captive power, steel billets and Ferro alloys.

The company was incorporated in September 21, 1999 as Ispat Godawari Limited and was later renamed as Godawari Power and Ispat Limited in June 2005. Currently, GPIL is the 3rd largest manufacturer of coal based sponge iron and also one of the leading manufacturers of mild steel and hard black wires in India.

GPIL has a single location manufacturing facilities at Siltara Industrial Estate, near Raipur the state capital of Chhattisgarh, which is also a hub for manufacturing long steel products in India. GPIL has also acquired mining license for iron ore and coal in Chhattisgarh. The company has also made investments in two JV companies – Chhattisgarh Captive Coal Mining Ltd and Raipur Infrastructure Company Pvt. Ltd for development of coal mine sand setting up railway siding for captive use. The Company enjoys sales tax (VAT) exemption for 11 years on account of its location.
